Calling for Papers for the The RobotDoC-PhD 2012 Conference

CONFERENCE DESCRIPTION

The aim of the Postgraduate Conference on Robotics and Development of Cognition (RobotDoC-PhD) is to bring together young scientists working on developmental cognitive robotics and its core disciplines. The conference aims to provide feedback on, and greater visibility of, the participants' research, and seeks to foster lively and stimulating discussion between the PhD students and senior researchers. The conference is open to all PhD students and Post-Doctoral researchers in the field. RobotDoC-PhD conference is an initiative as a part of the Marie-Curie Actions ITN RobotDoC (www.robotdoc.org) and will be organised as a satellite event of the 22nd International Conference on Artificial Neural Networks ICANN 2012.
